Congratulations:

You have completed the initial filing to create a new entity.

To keep your filing status active and avoid administrative dissolution, you must:

1. File an Annual Report and pay the annual license fee each year before the anniversary of the filing date for the entity. The registered agent will be sent notice of the Annual Report requirement. But it is the corporation or LLC's responsibility to file the report even if no notice is received.
2. Maintain a Registered Agent and registered office in this state. You must notify the Corporations Division if there are any changes in your registered agent, agent's address, or registered office address. Failure to notify the Corporations Division of changes will result in misrouted mail, and possibly administrative dissolution.

If you have questions about these requirements, please contact the Corporations Division at 360-753-7115 or visit our website at: <http://www.secstate.wa.gov/corps>

Thank you.

Office of the Secretary of State
