

## Mural Design Contest – Ludlow Falls Pump House

The Port Ludlow Art League is excited to announce a community mural project. To give back to the wonderful community that supports the art league, we've been commissioned to design and paint a mural on one wall of the pump house at Ludlow Falls. The pump house is located below the falls next to the bridge that crosses the creek where the three trails meet. This location guarantees that the mural will be seen by hundreds of residents and visitors for years to come.

Art league members are invited to participate in this design contest for the mural. Volunteers will be needed to help us clean, prep, paint, and fundraise for this project. This is a great opportunity to create a lasting public artwork that will enhance the community and promote the art league.

For more information and/or to volunteer, please email or call Laura Axiotis at [laxiotis@gmail.com](mailto:laxiotis@gmail.com) or 360-764-3821.
